

Safeguarding at Hitherfield Primary School – Visitors to the school

Welcome to Hitherfield Primary School and Children’s centre. When signing in to our school you are agreeing to follow our school’s safeguarding policy (please ask the office staff for a copy)

Please ensure your visitors badge is visible at all times while you are on the school grounds and that you sign out on departure.

If while at the school you have concerns about a child, please ask a member of staff to help record on CPOMS.

Thank you for your help in keeping our children safe.

Safeguarding is everyone’s responsibility

The safeguarding team
